Helping people become life-long followers of Jesus.

Parents,

As you know, this Sunday is the service format change at our church. I want to let you know what will be changing for the Youth Ministries. Below, please find which class your child would be in:

**1. My child is in 7-12<sup>th</sup> grade**

There are two options for your child.

9:00 in the youth room (Jeff Korhorn is teaching this class)

10:40 in the youth room (Mike Roberts is teaching this class)

This year's focus for the 7-12<sup>th</sup> grade classes will vary. However, our Children's & Youth Ministry have put together a Teaching Scope. If you would like a copy of this Scope, I would be happy to get one for you.

**2. My child is in 5-6<sup>th</sup> grade**

There are two options for your child.

9:00 in room 407 (Jeff & Cassie Hall are teaching this class)

10:40 in room 407 (Dave & Dawn Outland are teaching this class)

This year's focus for the 5-6<sup>th</sup> grade classes is Psalms & Proverbs. Psalms is basically an inside look at David's journal to God, in it your child will learn how to follow and have a vibrant relationship with God. Proverbs are teaching given from a dad to his young sons. The Proverbs study will be full of practical advice & wisdom for godly living.

I recommend that your child go to one of these classes, and for the other hour attend a worship service with the corporate church family. If you have any questions, or we could help you in any way, please let me know.

Lastly, our youth groups will be beginning soon. PowerHouse (high school) starts September 12<sup>th</sup>. SURGE (7-8<sup>th</sup>) & Voltage (5-6<sup>th</sup>) start October 6<sup>th</sup>. There are also several weekly Bible studies that your teen can get involved in. One is for young Christians on Wednesday nights 6:30-7:30 @ Amici. In it, we will be studying the teachings & ways of Jesus. Look for more info. coming soon.

Your brother,

Jeff
