

Behold His Glory: Come and See!

Sermon # 1, John 1:35-51

Main Point: *Because Jesus is so wonderful I want my friends and family to meet Him too.*

Getting to Know You

1. Who introduced you to Jesus? Briefly share some details of the story.

Getting into the Book:

Read John 1:35-51

2. After reading the passage, close your Bibles and retell what happened. Then, open your Bibles and see how you did.
3. Imagine you were one of the disciples who spent the day with Jesus (1:39). What do you think that would have been like?
4. Why do you think these men were so eager to tell their friends and family about Jesus?
5. List the titles for Jesus that are mentioned in this passage. What does each title tell us about Jesus' nature and/or His work?
6. Why do you think invitations to church from friends and family are so effective?
7. Why do you think most Christians don't invite people to church or share the gospel more often?

Getting Out There

8. Who have you introduced to Jesus? Have any of them placed their faith in Him?
9. Share the names of unchurched people you'd like to invite to our Easter services on April 16 and/or the "Party at the YMCA" event on April 30.

If you have not already, make specific plans (day, time, location) to prayer walk a neighborhood.

Pray

Pray for the people you plan to invite. Ask God for open doors to do so.
