

Behold His Glory: Behold His Divinity! Part 2
Sermon # 11, John 5:31-47

***Main Point:** Trust Jesus, based on the overwhelming testimony that He is God's Son.*

Getting to Know You

1. What was your relationship like with your Father? If you have children, how do you try to build your relationship with them?

Getting into the Book:

Read John 5:31-47

2. What four witnesses does Jesus name, to prove His claim to be God?
3. What was John the Baptist's testimony about Jesus? See John 1:15.
4. As a group, try to name as many specific miracles of Jesus as you can. Why do these miracles validate His claim to be God?
5. In what ways does the Father testify to the identity of Jesus as His Son? (For ideas, see Mark 1:11; Matthew 17:5; John 12:28)
6. Jesus is quite clear that He is the central theme of the Old Testament Scriptures. What fulfilled prophecies can you think of as a group? (For a hint see Deuteronomy 18:15, 18; Luke 24:44; and compare Psalm 22:1, 11-18 to John 19:23-24, 28)

Getting Out There

7. In what positive and negative ways do people react to these witnesses today?
8. With such convincing witnesses, why do you think people still don't believe Jesus is God's Son?
9. In your opinion, which witness is the most convincing to prove Jesus is God's Son?
10. Which form of witness have you found most helpful for witnessing to others? For instance, your testimony, telling others about the miracles of Jesus, and/or telling them about fulfilled prophecy.

Pray

Ask God to strengthen your faith in His Son. Pray that you, and our church, will be a strong witness to His true identity.
