

Behold His Glory: Behold the Great I AM!
Sermon # 12, John 6:1-36

Main Point: *Trust Jesus as the Great I AM, because He abundantly supplies what we truly need.*

Getting to Know You

1. What's a food you crave, eat, and then wish you hadn't eaten it?

Getting into the Book:

Read John 6:1-15

2. In what ways were the disciples unable to meet the needs of the moment?
3. Why would Jesus test His people?
4. Share a story of how God provided abundantly, when you were helpless.

Read John 6:16-24

5. If you were in that boat, rowing for hours, in a storm, in the dark, describe how you'd be feeling?
6. When Jesus said, "It is I," what was He saying about Himself? See Exodus 3:14. What does this tell us about God's presence with us?

Read John 6:25-36

7. Spiritually speaking, what "empty carbs" have you eaten, but they've left you hungry again?
8. How have you seen Jesus' promise in 6:35 to be true in your life?

Getting Out There

9. What situation are you facing right now where you are aware of your inability and need Jesus' abundant ability?
10. What's the name of a person you know with whom you could share John 6:35? When will you share it with them?

Pray

Praise Jesus for being the Great I Am. Thank Him for satisfying your soul!
