**Sermon # 10, Galatians 5:22-25**

**Main Point: *Aiming at God's target for Spiritual Unity in marriage.***

**Getting to Know You**

1. When you think of spiritual unity in marriage, what other areas of your marriage do you think promotes spiritual unity?

**Getting into the Book:**

**Read Galatians 5**

2. Notice the works of the flesh listed in verses 17-21. Contrast these with the fruit of the Spirit.
3. Read verses 16 & 25 and discuss each word. What are some personal, practical ways to live this out in your own life?
4. Read verse 24. What is the personal application to daily living to which this verse speaks?
5. In what ways can you become more yielded to the Spirit?
6. How can the strengths and weaknesses in marriage actually strengthen your marriage?
7. As you meditate on the fruit of the Spirit, which ones do you find most difficult, or easy? Why?
8. What other Bible verses can help you with spiritual unity in your marriage?

**Getting out There**

9. Are you willing to have your spouse evaluate the changes you are making in your marriage and discuss them, week to week, until you achieve success?
10. Would it be wise to have an accountability partner to help you in your walk?

**Prayer**

Praise God for the areas in which you are strong, and pray for help in those areas where you are weak. Thank Him for the spouse you have.
