

Suffering – applying God’s truth to our suffering – Suffering Well

Main Point: The Bible tells us that our home is in Heaven, so focus on eternity.

Getting to Know You

1. What have been your thoughts as you suffer or see someone else going through a tough time in this life?

Getting Into the Book:

2. Read more of the questions in Job 38 through the end of the book and talk about the answers and how great God is.
3. Read 1 Peter 4:12 and talk about every word in this verse.
4. Have a discussion on 1 Peter 1:6-8.
5. Take one or two of the examples given and read about them in the Word: Cain, Jonah, Job, Daniel, Joseph, Stephen, John the Baptizer, Meshach, Shadrach, Abednego, Jesus.
6. Look up the words of our meditation song, “He Giveth More Grace” by Annie Johnson Flint, online & talk about the Biblical truth in this song.
7. Read 1 Peter 4:19 and talk about this from two perspectives: man’s and God’s.

Getting Out There

How will you minister differently to people who are suffering because of this message?
