### **Church Vision**

We are a growing, Bible and gospel centered, multigenerational church of 650, committed to Christ's command to make disciples of all nations. We believe the gospel calls us to reach outside of our walls and into our city, region, and across the world. The Worship Pastor will play a key role leading our church forward in authentic worship of Christ. We are excited about what God has been doing and will do through us as we strive to be rooted deep with God, rooted deep with one another, and reaching wide into the world.

### **General Description**

Findlay EFC is seeking a Spirit led Christian man whose calling is to serve the Lord Jesus by using his spiritual gifts and musical talents to lead God's people in worship as part of our Leadership Team. The Worship Pastor will engage our congregation in corporate worship, not performance oriented worship. We currently have three Sunday morning services with use of blended (1<sup>st</sup> service) and contemporary (2<sup>nd</sup> and 3<sup>rd</sup> services) styles of worship music. We recognize the power of worship ministries to teach sound theological truth when guided by excellence and authenticity. We encourage the use of media and other elements to stir hearts to respond to the greatness of God.

### **Spiritual Qualifications**

The preferred candidate will have an abiding personal relationship with Jesus Christ and demonstrate being a team player. He must be a man of integrity, show a servant's heart, be doctrinally sound, and be emotionally and relationally mature (see 1 Timothy 3:1-7; Titus 1:5-9).

### **Musical Qualifications**

Proficiency on many instruments is a bonus but leading music from guitar is desired. It is preferred that this candidate has at least an undergraduate degree in music or worship, but equivalent experience is suitable as well. This person must also have a good grasp of both the blended and contemporary music styles and show capacity to recruit and train volunteer vocalists, instrumentalists, and audio/video/lighting technicians.

### **Relational Qualifications**

This Pastor must be able to interact with and train people of varying musical talents, and must be a good communicator with his ministry teams. We desire this Pastor to offer opportunities for people of all age groups to use their musical gifts to worship Christ. This Pastor must have the ability to interact with the Sr. Pastor and Elders as a ministry leader as part of a Leadership Team.

### **Ministry Qualifications**

We are seeking a Worship Pastor with at least five years of experience leading worship, shepherding his teams, and multiplying worshippers in a growing ministry. The ideal candidate will have excellent musical ability combined with a Pastor's heart and a coach's mindset. This person must be in agreement with the EFCA doctrinal statement and ministry philosophy of the Senior Pastor and Elders of Findlay EFC. We desire to have a person who is creative, organized, plans ahead, takes initiative, and anticipates ministry opportunities.
