

REBOOT: GET YOUR FAMILY BACK ON TRACK BIBLE READING PLAN

A household that reads God's Word and prays together will be a stronger family. God bless you for setting out on this journey to strengthen your family's faith. Here are some tips to make your family devotions a blessing:

- Set a specific time and place (such as breakfast or supper time)
- Keep it short (5-10 minutes, especially with younger children)
- Read the scripture together. Ask a couple of questions such as, "What is God telling us about Himself? What is God telling us about ourselves?" Then end with a short prayer based on the theme of the passage.
- Make it interactive. Have a different person read or pray, or even act out or draw the Scripture.
- It's ok if you miss a day. There are 5 readings each week to allow some flex in your schedule.
- Work on the memory verse together a few times each week.
Matthew 22:37 "You shall love the Lord your God with all your heart, and with all your soul, and with all your mind."
